It was organised in accordance of International Women's Day which is observed on the 8<sup>th</sup> of March every year, a day that for more than a century has been set aside to celebrate the women's achievements and campaign for gender equality. On each day there were various programmes organised such as dance competitions, xtempo, poster competitions, etc. The student members of the women's cell presented different topics each day based on women, such as changing role of women in the Indian society. It was a opportunity for all the girls and women in our institution to be proud of themselves and realise their calibre.
